O-Ringen in cooperation with IOF and PWT Travel will build an official orienteering ACADEMY that attracts young orienteers all over the world, helping their development and competitor skills. We will use a professional leader-team to secure the idea of O-Ringen ACADEMY and to give all participants a fantastic week full of positive experiences and knowledge, new contacts across the borders and a lot of energy + ideas to take home to your own club/country for a strong development of orienteering in the world!

With this letter, we would like to invite young runners and future o-leaders from all IOF member countries to O-Ringen ACADEMY 2017 in Arvika, Sweden.

Price for O-Ringen ACADEMY 2017 will be 6.950.-SEK (20–29 July 2017)
In this price the following is included:

- 9 nights in Ingesund Folkhögskola (youth hostel standard)
